

Hire Car Booking & Collection Instructions

Updated 10th February 2022

C. I. Travel Group works with Europcar to provide hire cars in Jersey and Guernsey.

You will find the Europcar Airport desk located as follows:

- Jersey. After collecting your baggage and passing through Customs, leave the arrivals building and follow the outdoor walkway to the right. The Europcar desk is in the departure's hall.
- Guernsey. You will find the Europcar desk on the left as you enter the arrivals hall from Customs / baggage reclaim.

Drivers Licence

Renters and additional drivers must have held a full driving licence for a minimum of 12 months.

UK residents most provide a UK licence – an international licence is not acceptable. If a new photo card licence is held, drivers must also produce the paper documents, which accompany the photo card.

An original or international driving licence is required if the renters or additional driver's licence is of non-roman alphabet (e.g. Japanese)

No refunds will be given for rentals rejected due to non-production of a driving licence or non-disclosed endorsements. If a renter is not in possession of his/her original licence due to it being renewed/updated by the DVLA it is his/her responsibility to obtain suitable document verifying the renters full licence details (normally a DV441 form)

Europcar Office Hours and Contact

Between the first and the last flight into the airport, seven days a week the desk at the airport is staffed.

In case of emergency, please contact Europcar in Jersey on 01534 747770 or Europcar in Guernsey on 01481 239511.
